

SKIP HIRE
NORTHAMPTONSHIRE
REF: 9220 NN

ASKING PRICE:
BUSINESS ONLY: £110,000 + SAV

LOCATION

The business currently occupies a leasehold unit within Corby and offers skip hire within the town and the surrounding area up to an approx 20 mile radius.

The lease has now come to an end and the business is now available for sale as a re-locatable business or as a bolt on for a similar market sector operator.

THE BUSINESS:

Advent Business Sales are pleased to have been instructed to offer to the market this very well established skip hire business with excellent further potential.

Established by the vendor over 5 years ago, the business is only now being reluctantly offered for sale as the lease on his premises has now come to the end and he has been offered a different unrelated business opportunity which he wishes to pursue.

The business achieves high levels of repeat and referral trade from satisfied customers with approx 80% of trade from domestic clients and circ 20% are on account terms and operates within a 20 mile radius of the Corby area in Northamptonshire.

Currently operated by the vendor full time with the assistance of a full time driver and between them they achieve excellent annual sales of approx £230,000.

The business is fully equipped for purpose and includes a total of 42 skips for hire, ranging from 4 cubic yards to 14 cub yards and an 18 tonne skip truck.

As the vast majority of the skips are continually out on rental, only minimal storage space is required for the future operation of the business.

As the business is fully re-locatable it could quite easily be run from home or as a bolt on for a similar market sector operator.
